

PLEASE DO NOT GUT THE NO CALL LIST!!!! This "No Call List" has saved me from at least 10 annoying calls per week. You should not implement any proposal that would lessen Indiana's Telephone Privacy law protections - Indiana can have a more strict policy than a possible Federal policy. This law was placed into effect to stop bothersome calls in our state. PLEASE DO NOT DISSOLVE THIS LAW OR LESSEN THE EFFECT OF IT. ALSO, AUTOMATED POLITICIAN RECORDINGS SHOULD BE ADDED TO THE LIST.
